

This holiday season, spread the love of our Superior Rivers by giving a gift membership! For only \$25 you can introduce a friend to the Watershed Association and empower them to engage in protecting our precious water. Your friend or loved one will receive a beautiful holiday card letting them know of your gift and introducing them to the Watershed Association. We'll also send them a copy of Watershed Waves to get them up to speed on the latest news.

Want to give them a little more? Add \$25 to your gift and you can select from an assortment of items that we'll include in their holiday package!

DETAILS

Fill out this form and mail it with your check. All shipping costs for membership packet and/or additional present are included.
